

PROSPERITY GAME and SPIRITUAL MIND TREATMENT

Beloved:

I am delighted to offer you this divine experience in creating a consciousness of wealth and prosperity. I encourage you to make this a fun and enlightening experience and to stick with it until the end. The process is outlined below.

PROCESS

I would encourage you to have a notebook or journal specifically for this exercise. Feel free to add pictures of the items you will purchase.

1. Each day, for 40 days, you will receive a check from the Universal Bank of God's Goodness in a specific amount.
2. Before spending the amount granted you in the check, you are to read the Prosperity Treatment.
3. After reading the Prosperity Treatment, you are to spend the amount of money in the check on your heart's desire by writing down how you will spend the money.
4. Each day you are encouraged to Tithe 10% of what you receive to the place of your spiritual nurturing or an organization that does Good work on behalf of others.
5. You **cannot use any of the money** to pay bills, nor can you save the money from one day to the next, you can, however, put the money in a Savings Account.

6. You must indicate an exact amount of what you will spend the money on and you are to have no change left over at the end of the day.

FOR EXAMPLE: If you want to buy a house, boat car, go online or elsewhere and consciously choose the item. Know exactly how much it will cost and write the exact price down on your list. If you are purchasing clothing, go look at the clothing and indicate the price of the item you desire. Above all, have fun and literally "go for broke" each day.

7. You can invest the money in stocks as long as specify the stocks you desire to purchase.

8. You can give money to a specific person or organization as long as you specify who the person or organization.

Take your time when spending or investing and stay mindful of every choice you make. This can be an enlightening experience that supports you in identifying your thoughts and feelings about money and wealth. It will also support you in creating a prosperity consciousness as you work through and work out what you desire when you have money available.

PROSPERITY TREATMENT

(Adapted from Science of Mind)

God, I know you as the Senior Partner in my financial affairs. I look to and lean on You for the guidance I need. I know I am led to see and do what is right so that I am supplied with abundance, prosperity and money for my every Good need. I now declare that right contacts are established; right influences set into motion and right activities are started so that my abundance becomes manifest easily, elegantly and under grace. I declare that there is divine right action in all of my affairs.

I know the universe responds to my believing word, and right results and rewards are mine. I am guided to that I see the right people, say and do the right things, give the right kind of service and make myself valuable to others. Money to meet my every Good requirement is now mine elegantly and under grace.

I live wholesomely, faithfully and efficiently, and I give generously. I know that abundant funds for doing so are mine now, and they come to me in a divine way, elegantly and under grace.

I am grateful for this abundant supply. I give sincere thanks for it. I use it freely in the service of God and humankind, knowing that as it goes out in every way and in loving helpfulness to others, it is constantly being blessed and that further funds will take its place as needed.

Now I go out and act accordingly. I express an attitude of abundance with every thought in my mind. I feel and look prosperous! I believe in my prosperity! And so I prosper!
